Fox Hollies	1, 11A, 11C, 31, 36, 99	B5						

### Bus and Rail Services in SOLIHULL

#### HOW TO USE THIS MAP

Firstly, find where you wish to travel to and from. The index below this map will help you.

If the same number is shown in the index against both your destination and your starting point, then a through service is available. The frequency guide on the reverse of this map will show how often this service runs. Full timetable information is available from the traveline.

If no through service is available, then you will need to change buses. Find your starting point and destination on the route map. Trace back from your destination to your starting point along the bus route, and where you will need to change buses. Remember, it may also be possible to interchange between bus and rail.

Once you have found out which services you need to use, you can use the frequency guide on the reverse of this map to see how often each service runs. Again, full timetable information is available from the traveline.
