Shopmobility

There are a number of Shopmobility schemes in the West Midlands, enabling disabled people to access town centres and main shopping areas. The schemes are open to anyone who has a mobility difficulty, including people with a visual impairment or with a temporary disability such as a broken leg. Powered and manual wheelchairs, as well as electric scooters can be available for loan, and at some locations an escort can be provided to assist with shopping, or to meet you when you arrive by public transport. It may be required to register and book equipment in advance.

Contact details for local Shopmobility schemes are shown below:
